**SPECIAL DEPUTY TO THE REHABILITATOR'S SEVENTH STATUS REPORT AND
PETITION FOR APPROVAL OF MEDSTAR SETTLEMENT AGREEMENT AND
PAYMENT OF CLASS 1 ADMINISTRATIVE FEES AND EXPENSES**

Daniel L. Watkins, as Special Deputy to the Rehabilitator of D.C. Chartered Health Plan, Inc. in Rehabilitation (Chartered), files this *Seventh Status Report and Petition for Approval of MedStar Settlement Agreement and Payment of Class 1 Administrative Fees and Expenses*.

1. **Update From Sixth Status Report.** On August 19, 2013, the Special Deputy filed his Sixth Status Report with the Court. The following information provides an update to the Sixth Status Report.

(a) **Pending Legal Matters.**

- i. Chartered and MedStar are currently involved in a civil action filed in the D.C. Superior Court as *Washington Hosp. Ctr. Corp. and MedStar Georgetown Medical Ctr., Inc. v. D.C. Chartered Health Plan, Inc.*, No. 2012 CA 009510 B (D.C. Super. Ct.), which was stayed on February 8, 2013 and referred to the American Arbitration Association for arbitration, by agreement of the parties, as Arbitration No. 16 187 Y 00104 13 (AAA). The amount in controversy is approximately \$39 million.

- ii. The Rehabilitator and MedStar mutually recognize that the costs and burdens of continuing to litigate and arbitrate their respective claims and defenses to resolution would be substantial, both in terms of their time and commitment and the expenses that would be incurred for counsel, experts and advisors.
- iii. As a result of discussions and internal and mutual review efforts, and other actions taken by Chartered and the Rehabilitator, the Rehabilitator determined that, as of August 6, 2013, \$9,634,763 was properly due and payable to MedStar on their claims (the Undisputed Claims), leaving over \$30 million remaining to be resolved (the Disputed Claims).
- iv. The parties agreed to compromise the Disputed Claims for a total of \$8,393,000 (Compromise Amount). Accordingly, on August 9, 2013, the Rehabilitator and MedStar entered into a Memorandum of Understanding (MOU) to resolve their disputes, including MedStar's appeal pending before the District of Columbia Court of Appeals. The MOU was attached as Exhibit 2 to the Sixth Status Report.
- v. Since the filing of the Sixth Status Report the parties have entered into a Settlement Agreement and Mutual Release (MedStar Settlement Agreement), attached as **Exhibit 1**, contingent on the Court's approval. Accordingly, the Rehabilitator requests the Court's approval of the MedStar Settlement Agreement.
- vi. On September 4, 2013, the District of Columbia Court of Appeals entered an Order granting MedStar's motion for extension of time to file its brief, ordering that the brief would be due October 4, 2013. MedStar will dismiss its appeal, as well as pending litigation and arbitration, if the Court approves the MedStar

Settlement Agreement and Chartered satisfies the Agreement's terms and conditions for dismissal.

(b) Premium Claims.

- i. On August 21, 2013, the Court held a hearing on the proposed agreement between the Rehabilitator and the Department of Health Care Finance (DHCF) settling Chartered's claims for retrospective premium owed under its previous Medicaid contract (DHCF Settlement Agreement).
- ii. On August 22, 2013, the Court entered an Order approving the DHCF Settlement Agreement.
- iii. Payments under the DHCF Settlement Agreement are discussed below in Paragraph 2.

(c) Parent Company and Related Party Issues.

- i. On August 22, 2013, the Court entered an Order approving the revised Settlement Agreement and Mutual Release between the Rehabilitator and Cardinal Bank. The Agreement and Release has been executed and Cardinal Bank paid the settlement monies to Chartered.
- ii. On August 20, 2013, Judge Mott entered an Order granting Chartered's Motion for Extension of Time, ordering that Chartered has until September 23, 2013, to file a response to DCHSI's Motion to Stay the Proceedings in *D.C. Chartered Health Plan, Inc. v. Thompson*, Civil Action No. 2013 CA 003752 B (D.C. Super. Ct.) (the *Thompson* Action).
- iii. On August 27, 2013, Judge Mott scheduled a Scheduling Status Conference for October 11, 2013, in the *Thompson* Action.

2. Carrying Out the Plan of Reorganization and Payment of Chartered's Liabilities

(a) **Proofs of Claim.**

- i. All proofs of claim were due to the Rehabilitator by the bar date of August 31, 2013. Fifty-six proofs of claim were received or postmarked by August 31, 2013.
- ii. Seventeen of the fifty-six proofs of claim are from medical providers who were not required to submit a proof of claim. The remaining thirty-nine proofs of claim received were non-provider claims (i.e., not Class 3 claims under Chartered's Plan of Reorganization), including a proof of claim submitted by the Department of Insurance, Securities and Banking for premium taxes and related penalties in excess of \$11.4 million.
- iii. All proofs of claim will be evaluated for classification priority in September.
- iv. As required by the Plan of Reorganization, the Rehabilitator will consider payment of claims below Class 3 only if all Class 3 claims are paid in full. The Rehabilitator will recommend to the Court a plan for making payments in claims that fall in Class 4 or below if and when the Rehabilitator determines there will be assets available to pay such claims. The Rehabilitator believes that Chartered's ability to pay Class 3 claims in full and to make any payments on claims falling in Class 4 or below will depend on amounts the Rehabilitator is able to recover in the *Thompson* Action.

(b) **Provider claims and payments.**

- i. On August 30, 2013, providers were mailed a notice regarding the payment plan for their claims together with applications for the DHCF grant program, attached as **Exhibit 2**. The notice describes how to gain secure access to the payment processing website and provides a toll-free number for providers to

call regarding questions or assistance. Guidance on the Part I payment plan, attached as **Exhibit 3**, accompanied the Part I payment checks and remittance advice reports.

- ii. A third party, The Colbent Corporation, is coordinating and documenting the payment process with Chartered and DHCF.
- iii. In accordance with the approval of the DHCF Settlement Agreement described in Paragraph 1(b) above, on September 6, 2013, Chartered received \$17,971,400 from DHCF toward the Part I \$18,000,000 settlement amount. The Rehabilitator anticipates that the \$28,600 balance will be received soon.
- iv. Under Part I of the payment plan, Chartered has used the \$18 million to pay 31.45% of each undisputed and allowed provider claim processed through September 9. The Part I payments and a full report on the processed claims of each provider were mailed or delivered to providers by September 20. DHCF will make Part II payments totaling \$30 million to providers on their undisputed and allowed claims as grant application documentation is completed. (The Part II payments will cover 52.42% of each undisputed and allowed claim if all providers submit their grant applications.) These payments are scheduled to start the week of September 23, 2013. **Exhibit 4** lists each provider's claim amount with a total claim amount owed as of September 9 (\$57.22 million) and the percentage payments to be made under Parts I and II of the payment plan. DHCF has announced that it has extended the deadline for providers to submit grant applications for Part II payments. The deadline is now September 30, 2013. If eligible providers fail to submit a grant application, they may not receive Part II payments from DHCF.

- v. A few claims postmarked or received by August 31, 2013, which were not processed by September 9, 2013, and timely appeals will be processed and paid from Chartered assets in the same *pro rata* share as providers are paid under Parts I and II. These *pro rata* payments will be made from Chartered's assets as provider claims and appeals are processed and finalized.
- vi. The Undisputed Claims will be paid under Part I and Part II, on a *pro rata* basis in the same percentages paid to other providers. If the Court approves the MedStar Settlement Agreement, the Compromise Amount will be paid out of Chartered's assets at the same *pro rata* share as paid for Parts I and II claims.

3. **Rehabilitation Expenses.**

- (a) On August 22, 2013, the Court entered an Order Approving Payment of Rehabilitation Fees and Expenses. After payment of the fees and expenses approved in the Order and other ongoing expenses, Chartered has cash on hand of \$19 million, not including DHCF's payments as part of the DHCF Settlement Agreement. Chartered's current cash assets will be used in part to pay the claims described in Paragraph 2(b)(v) and the Compromise Amount in the MedStar Settlement Agreement as described in Paragraph 2(b)(vi), as well as court-approved fees and expenses.
- (b) On September 10, 2013, the Rehabilitator submitted to the Court for *in camera* review statements of the Special Deputy, counsel and consultants for work performed in June and July, summarized in **Exhibit 5**. Statements for work performed in August will be submitted to the Court after receipt and review by the Rehabilitator. Expenses for counsel and consultants are anticipated to decrease significantly for work in September and for the remainder of 2013.
- (c) Several companies performed administrative functions necessary to deliver services to Chartered enrollees through April 30, 2013, when Chartered's contract with DHCF

ended. Payments for those Class 1 administrative services were suspended when payments to providers for Class 3 claims were suspended on April 19, 2013. **Exhibit 6** sets out amounts totaling \$779,929 due four organizations which provided the administrative support necessary to deliver services to Chartered enrollees for dental, eye and behavioral health care, lab work and management of complex cases.

- (d) The Rehabilitator requests the Court's leave to pay these Class 1 fees and expenses of the Special Deputy, counsel, consultants and administrative support organizations as reflected in Exhibits 5 and 6.

RELIEF REQUESTED

WHEREFORE, the Rehabilitator by his Special Deputy petitions the Court to enter the requested Order that: (i) approves the MedStar Settlement Agreement and (ii) approves the payment of Class 1 administrative fees and expenses.

Respectfully submitted,

EXHIBIT 1

SETTLEMENT AGREEMENT AND MUTUAL RELEASE

This Settlement Agreement and Mutual Release ("Agreement") is entered into between (1) Washington Hospital Center Corporation (d/b/a MedStar Washington Hospital Center) ("WHC") and MedStar Georgetown Medical Center, Inc. (d/b/a MedStar Georgetown University Hospital) ("GUH") and (2) D.C. Chartered Health Plan, Inc. in Rehabilitation ("Chartered"), acting through William P. White, Commissioner of the District of Columbia Department of Insurance, Securities and Banking, in his capacity as Rehabilitator. WHC, GUH and Chartered are each referred to as a "Party" and collectively as the "Parties." The Parties hereby agree as follows:

RECITALS

WHEREAS, WHC and GUH each entered into certain agreements with Chartered, specifically the Hospital Services Agreement, dated May 12, 2002, and thereafter amended, between Chartered and WHC, and a Letter of Agreement, dated June 1, 2008, and, thereafter amended, between Chartered and GUH; and

WHEREAS, a dispute has arisen between the Parties concerning the applicability of certain claims coding, weighting, and editing provisions to claims submitted to Chartered by WHC and GUH, and concerning a number of other claims and defenses asserted by the Parties under the Agreements and the applicable laws and regulations governing their relationship; and

WHEREAS, the dispute between the Parties is being litigated as a civil action filed in the D.C. Superior Court as *Washington Hosp. Ctr. Corp. and MedStar Georgetown Medical Ctr., Inc. v. D.C. Chartered Health Plan, Inc.*, No. 2012 CA 009510 B (D.C. Super. Ct.), which was stayed on February 8, 2013 and referred to the American Arbitration Association for arbitration, by agreement of the Parties, as Arbitration No. 16 187 Y 00104 13 (AAA), with the amount in

controversy being approximately \$39 million, liability for which has been denied and vigorously opposed by the Rehabilitator on Chartered's behalf (all collectively being referred to as "the Dispute"); and

WHEREAS, the Rehabilitator, employing the services of an outside consultant, Optimity Advisors, and WHC and GUH, have engaged in many weeks of discussions and mutual review in an effort to jointly seek to resolve the Dispute, and the claims raised therein, including the submission and review of documentation provided by WHC and GUH detailing thousands of patient claims; and

WHEREAS, as a result of their discussions and internal and mutual review efforts, the Parties mutually recognize that the costs and burdens of continuing to litigate and arbitrate their respective claims and defenses to resolution would be substantial, both in terms of their time and commitment and the expenses that would be incurred for counsel, experts, advisors, and the like which are inherent in the litigation and arbitration of legally and factually complex disputes of this nature; and

WHEREAS, as a further result of those discussions and review, and other actions taken by Chartered and the Rehabilitator in the ordinary course of business, the Rehabilitator determined that, as of August 6, 2013, \$9,634,763 was properly due and payable to WHC and GUH on their claims, leaving over \$30 million remaining to be resolved in the Dispute;

WHEREAS, the Parties have engaged in settlement negotiations and have reached an agreement regarding, among other things, compromise of the Dispute and treatment of WHC and GUH's claims in the Rehabilitation Proceeding, which was memorialized in a Memorandum of Understanding, executed on August 9, 2013 ("the MOU"), and attached hereto as Exhibit A;

WHEREAS, WHC and GUH have attempted to protect their respective ability to recover on the disputed claims by moving to intervene in the Rehabilitation proceeding, which motion was denied by the Court, and is currently on appeal to the D.C. Court of Appeals, and would potentially take other action to protect their interests both generally, and specifically with respect to the proceeds of the Rehabilitator's settlement with the District of Columbia, if their many claims pending with Chartered and the Rehabilitator were not resolved through the settlement embodied in the MOU and this Agreement; and

WHEREAS, the Parties desire, through this Agreement, to resolve the Dispute without the costs and burdens associated with further litigation and arbitration proceedings with respect to the claims and defenses raised in the Dispute.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and which consideration includes, but is not limited to, the mutual promises and covenants contained herein, WHC and GUH and Chartered hereby agree to be bound as follows:

AGREEMENT

1. **Definitions.**

a. **The Appeal.** The Appeal shall refer to the appeal of the Rehabilitation Court's denial, by Order dated May 9, 2013, of WHC and GUH's motion to intervene in the Rehabilitation, pending before the D.C. Court of Appeals, styled *MedStar Georgetown Medical Center, et al. v. D.C. Department of Insurance, Securities and Banking, et al.*, No. 13-CV-582,

b. **The Arbitration.** The Arbitration is the arbitration proceeding, submitted to by agreement of the Parties, before the American Arbitration Association, styled *Washington Hospital Center Corp. et al. v. D.C. Chartered Health Plan*, No. 16 187 Y 00104 13. The Arbitration is being heard by a single arbitrator, R. Wayne Thorpe.

c. **"A" Status Claims.** "A" Status Claims are Class 3 claims that the Rehabilitator has determined to be undisputed and allowed and payable, but not yet paid. As provided herein, the Undisputed Claims are "A" Status Claims with all such "A"

Status Claims to be paid pursuant to and through funds made available from the District Settlement.

d. Class 3 Claims. Class 3 Claims refer generally to the classification of “[a]ll claims of providers who are obligated by law or agreement to hold enrollees harmless from liability for services pursuant to and covered by Chartered” pursuant to the Plan of Reorganization, proposed by the Rehabilitator and approved by the Rehabilitation Court by Order dated March 1, 2013, consistent with D.C. Code § 31-1340.

e. The Compromise Amount. The Compromise Amount is the amount upon which the Parties agree under this Agreement to be the sum due and owing from Chartered to WHC and GUH as a full settlement and compromise of the Disputed Claims. As provided and specified in this Agreement, the Compromise Amount is \$8,393,000, which will be paid as an agreed Class 3 Claim from Chartered’s own funds.

f. The Disputed Claims. The Disputed Claims are approximately \$30 million in claims for the provision of covered services to Chartered beneficiaries submitted to Chartered by WHC and GUH, for which Chartered disputes its liability, and for which recovery is being sought in the Arbitration.

g. The District Settlement. The District Settlement shall refer to the Rehabilitator’s settlement with the District of Columbia, embodied in a Settlement Agreement dated July 22, 2013, filed in the Rehabilitation on July 23, 2013, and approved by the Rehabilitation Court’s Order Approving Settlement Between D.C. Chartered Health Plan and the District of Columbia on August 22, 2013.

h. The Effective Date. The Effective Date of this Agreement shall be retroactive to August 6, 2013.

i. The Initial Payments. The Initial Payments shall refer to the payments made to WHC and GUH under Section 3(a) and (b) of this Agreement.

j. The Litigation. The Litigation is the civil action filed by WHC and GUH against Chartered in the D.C. Superior Court, styled *Washington Hospital Center Corp. et al. v. D.C. Chartered Health Plan*, Case No. 2012 CA 009510 B, and assigned to Judge Anthony Epstein. The Litigation was stayed on February 8, 2013 and referred to arbitration, and the next scheduled event to occur in the Litigation is a Status Conference on February 7, 2014.

k. Other MedStar Affiliates. The term Other MedStar Affiliates shall mean: (i) physicians employed by either WHC or GUH, and (ii) other MedStar Health, Inc. hospitals, entities and affiliates, including but not limited to, physicians and physician groups.

l. The Provider Agreements. The Provider Agreements refer to the Hospital Services Agreement, dated May 12, 2002, and as thereafter amended, between Chartered and WHC, and a Letter of Agreement, dated June 1, 2008, and as thereafter amended, between Chartered and GUH.

m. The Rehabilitation. The Rehabilitation is a civil proceeding styled, *District of Columbia, Department of Insurance, Securities and Banking v. D.C. Chartered Health Plan, Inc.*, Civil Action No. 2012 CA 008227 2, assigned to Judge Melvin Wright, and administered by the Rehabilitator under the District of Columbia Insurance Rehabilitation and Liquidation Act, D.C. Code §§ 31-1301 *et seq.*

n. The Rehabilitation Court. The Rehabilitation Court shall refer to the judge presiding over the Rehabilitation, which is currently Judge Melvin Wright.

o. The Rehabilitator. The Rehabilitator shall refer to William P. White, Commissioner of the District of Columbia Department of Insurance, Securities and Banking, acting in his capacity as Rehabilitator of Chartered pursuant to the Order of the Rehabilitation Court dated October 19, 2012, including his employees, agents, attorneys and assigns in the Rehabilitation, including but not limited to Special Deputy Rehabilitator Daniel L. Watkins.

p. The Undisputed Claims. The Undisputed Claims shall be the sum of \$9,634,763 that the Rehabilitator determined as part of his claims review was properly due and payable to WHC and GUH on their claims as of August 6, 2013.

2. Compromise of the Disputed Claims.

The Parties agree that the Disputed Claims will be compromised for a total Compromise Amount of \$8,393,000.

3. Treatment of WHC/GUH Claims in Rehabilitation.

a. The Undisputed Claims, amounting to \$9,634,763, shall be deemed an "A" Status Claim in the Rehabilitation, and will be paid, on a *pro rata* basis with other Class 3 creditors holding undisputed and allowed claims, under the provisions of the District Settlement.

b. The Compromise Amount, amounting to \$8,393,000, shall be deemed a Class 3 Claim in the Rehabilitation, and will be paid, from Chartered's own funds outside the provisions of the District Settlement, in the same percentage as the Undisputed Claims are paid under the provisions of the District Settlement.

c. The claims comprising and underlying both the Undisputed Claims and the Compromise Amount shall be deemed valid claims of WHC and GUH in the Rehabilitation by virtue of this Agreement, and no further claim filing or documentation in the Rehabilitation with respect to such claims shall be required by the Rehabilitator.

d. To the extent that the Undisputed Claims and the Compromise Amount are not fully paid as a result of the Initial Payments, WHC and GUH will be entitled to their *pro rata* share of any assets, funds, or other remuneration that now exist or may hereafter become available to pay Class 3 Claims in the Rehabilitation, based on the

portion of the Undisputed Claims and the Compromise Amount that remain unpaid after the Initial Payments.

e. WHC and GUH shall be entitled to the payment of interest on the Undisputed Claims and the Compromise Amount if interest is paid on any other Class 3 Claim. Interest on the claims of WHC and GUH will be calculated on the total claims paid to them (including both the Undisputed Claims and the Compromise Amount) at the rate determined for the Undisputed Claims, with such rate to be determined using the same methodology as it is for all other providers.

4. Provider Stabilization and Beneficiary Access Program.

Chartered and the Rehabilitator warrant, represent and agree that the Undisputed Claims are undisputed Class 3 Claims allowed by the Rehabilitator, and that Chartered and the Rehabilitator will take all necessary actions, including but not limited to making all necessary certifications and communications of same to the District of Columbia Department of Health Care Finance ("DHCF") to facilitate full recognition and participation of the Undisputed Claims in the DHCF's Provider Stabilization and Beneficiary Access Program.

5. Dismissal of Arbitration, Appeal and Litigation.

In consideration of the actions, covenants and promises of Chartered and the Rehabilitator expressed herein, WHC and GUH shall, as soon as practicable after receipt of an order of the Rehabilitation Court approving this Agreement (as provided below) and the receipt by WHC and GUH of the Initial Payments, take the following actions to dismiss their claims in the Arbitration, dismiss their claims in the Litigation, and dismiss the Appeal, with Chartered agreeing to join in such actions, as provided herein:

- a. WHC and GUH will dismiss their claims in the Arbitration;
- b. WHC and GUH and Chartered will jointly file a Stipulation of Dismissal in the Litigation substantially in the form of Exhibit B hereto; and
- c. WHC and GUH will file a Consent Motion for Voluntary Dismissal of the Appeal substantially in the form of Exhibit C hereto.

The Parties further agree that the foregoing actions by WHC and GUH are expressly and explicitly conditioned on receipt of both the aforementioned order of the Rehabilitation Court, and the Initial Payments.

WHC and GUH on the one hand, and Chartered on the other hand, will each be responsible for one half of all administrative and arbitrator fees assessed in the Arbitration. Otherwise, each Party will bear its own costs, expenses and attorney's fees in the Arbitration, the Litigation and the Appeal.

6. Release of Chartered.

In consideration of the actions, covenants and promises of Chartered and the Rehabilitator expressed herein, WHC and GUH, for themselves and their respective past and present predecessors, successors, parents, subsidiaries, affiliates, assigns, stockholders, attorneys, officers, directors, agents, representatives, employees, and insurers, agree to forever release and discharge Chartered and the Rehabilitator and their respective past and present predecessors, successors, assigns, attorneys, officers, directors, agents, representatives, employees, and insurers, from any claims, including claims for attorneys' fees and litigation costs under the Provider Agreements or otherwise, arising out of, based upon, in connection with, or related to the subject matter of the Arbitration or that are being claimed or could have been claimed in the Arbitration, provided that this release shall not apply to and shall have no effect on Other MedStar Affiliates as set forth in Paragraph 11, below.

7. Release of WHC and GUH.

In consideration of the actions, covenants and promises of WHC and GUH expressed herein, Chartered and the Rehabilitator, for themselves and their past and present predecessors, successors, assigns, attorneys, officers, directors, agents, representatives, employees, and insurers, agree to forever release and discharge WHC and GUH and their respective past and

present predecessors, successors, parents, subsidiaries, affiliates, assigns, stockholders, attorneys, officers, directors, agents, representatives, employees, and insurers, from any claims, including claims for attorneys' fees and litigation costs under the Provider Agreements or otherwise, arising out of, based upon, in connection with, or related to the subject matter of the Arbitration or that are being claimed or could have been claimed in the Arbitration, provided that this release shall not apply to and shall have no effect on Other MedStar Affiliates as set forth in Paragraph 11, below.

8. Obligations Created Under this Agreement Not Released.

The Parties agree that the foregoing mutual releases, set forth in Paragraphs 6 and 7 above, do not release or discharge any obligation created under this Agreement, including but not limited to WHC and GUH's entitlement to receive *pro rata* payment of their "A" Status and Class 3 Claims as provided herein, whether pursuant to the provisions of the District Settlement, from Chartered's own funds, or from any other assets, funds, or other remuneration that may hereafter become available to pay Class 3 Claims in the Rehabilitation.

9. Contingent on Approval.

The parties agree and acknowledge that the effectiveness of, and binding commitments set forth in, this Agreement are expressly and explicitly conditioned on the receipt of the approval of this Agreement by the Rehabilitation Court. Should such approval not be obtained, this Agreement, and each of its terms and conditions shall be null and void, and WHC and GUH shall retain any rights they may have to object to the District Settlement, or any other proposed plan, agreement or activity, in the Rehabilitation, and WHC and GUH may reinstate and pursue, as applicable, the Arbitration, the Litigation, the Appeal, and any and all other rights they may have to contest or appeal the Disputed Claims.

10. Cessation of Claims Review, Processing and Appeals.

As of the Effective Date, all pending requests for information or records by the Rehabilitator or his agents to WHC or GUH are withdrawn; further review, reprocessing and/or auditing of any claims of WHC or GUH previously paid in full or in part, or denied in full or in part, by Chartered, shall cease; no further additions or reductions to such claims, or in any way based on such claims, or to any of the claims that underlie the Undisputed Amount, the Disputed Claims, or the Compromise Amount shall be made; all pending appeals of WHC or GUH are hereby withdrawn; and all rights to appeal regarding any of the foregoing claims are waived. The Parties further agree that the foregoing withdrawals, cessations, actions, and waivers are expressly and explicitly conditioned on receipt of the approval as provided in Paragraph 9, above, and the Initial Payments.

11. No Effect on Other MedStar Affiliates.

The Parties acknowledge and agree that nothing in this Agreement shall limit or impede (a) the ability of Other MedStar Affiliates to submit or dispute claims or pursue appeals, consistent with the claims bar date approved by the Rehabilitation Court or (b) the ability of the Rehabilitator to review, process, audit or dispute any such claims or appeals. This Agreement expressly does not include, affect or bind in any way any such Other MedStar Affiliates with respect to any issue, claim or action.

12. Conflict with MOU.

This Agreement amplifies and provides further detail regarding the terms of the MOU and shall be interpreted to be consistent with the MOU. All obligations undertaken by the Parties in the MOU that are not mentioned or provided for herein shall, nevertheless, be fulfilled by the Parties and shall not be deemed revoked or rescinded for lack of mention herein. (to Settlement Agreement and Mutual Release)

MEMORANDUM OF UNDERSTANDING

executed August 9, 2013

MEMORANDUM OF UNDERSTANDING REGARDING RESOLUTION OF CLAIMS

D.C. Chartered Health Plan, Inc. in Rehabilitation ("Chartered") and two hospitals, Washington Hospital Center Corporation (d/b/a MedStar Washington Hospital Center) and MedStar Georgetown Medical Center, Inc. (d/b/a MedStar Georgetown University Hospital) (together, "WHC/GUH"), are engaged in a dispute, currently the subject of litigation and arbitration proceedings, in which WHC/GUH seeks to recover up to \$40 million for covered hospital services provided to Chartered beneficiaries allegedly not properly reimbursed by Chartered. The dispute excludes claims for services provided by (a) physicians employed by WHC/GUH, and (b) other MedStar Health, Inc. ("MedStar") hospitals, entities and affiliates, including but not limited to, physicians and physician groups.

The purpose of this Memorandum of Understanding ("MOU") is to create a binding agreement regarding the compromise of WHC/GUH's disputed claims and the treatment of WHC/GUH's claims with respect to the distribution of funds contemplated in the Rehabilitation proceeding, so as to allow the Rehabilitator to seek necessary approvals in D.C. Superior Court, with other provisions to take effect after such approvals, to be further detailed by subsequent agreement(s) between the parties not inconsistent herewith.

The parties to this MOU, and any other agreements made in furtherance thereof, agree and recognize that the resolutions set forth herein are subject to, and contingent upon, approval by the Superior Court in the rehabilitation proceeding and will be ineffective and non-binding if such approval is not received.

Chartered, with the assistance of Optimity Advisors, and WHC/GUH have engaged in a three month study of the claims related to nearly 20,000 patients which are the subject of the arbitration.

Since Chartered suspended payments to all its medical providers in April 2013, it has continued to process, but not pay, the claims of providers, including WHC/GUH. Claims processed but not paid are referred to as undisputed "A" status claims and are Class 3 claims under Chartered's Plan of Reorganization.

In processing and analyzing the WHC/GUH claims, the Rehabilitator has determined that claims involving \$9,634,763 are undisputed, unpaid "A" status claims. After removing these "A" status claims, WHC/GUH is seeking approximately \$30 million for its remaining disputed claims.

In analyzing the remaining disputed claims, the Rehabilitator has determined that there are 1.) approximately 150 stop-loss claims (claims with billed amounts over \$100,000) involved, a significant number of which are currently within applicable appeal periods and which will require substantial additional review to determine amounts payable under the provider agreements; and 2.) a large portion of claims and dollar amounts which would need to be resolved by the arbitrator as the parties do not agree about amounts owed under the provider agreements.

Chartered and WHC/GUH have expended significant resources in analyzing the claims in question and litigating and arbitrating disputed matters. During the past three months, the Rehabilitator has already determined a significant portion of claims initially disputed in arbitration are not in dispute

(\$9,634,763). This \$9,634,763 amount is an "A" status claim, which would receive a *pro rata* share of the \$48 million in settlement proceeds Chartered and the District of Columbia propose to distribute to providers with "A" status claims (such distribution subject to D.C. Superior Court approval of the settlement agreed to between the Rehabilitator and the District).

Further analysis of the disputed claims by the Rehabilitator, most particularly the appealable high-dollar stop-loss claims, could result in a determination that significant additional undisputed amounts are owed to WHC/GUH. Moreover, even as the Rehabilitator has determined that certain of the claims are not in dispute for payment, the parties continue to disagree as to the amount that should be paid on such claims, for reasons that include the application of certain claims coding and weighting principles that are at issue in arbitration. Thus, absent this MOU, WHC/GUH would retain a right to appeal a portion of the processed but unpaid claims currently in "A" status, which would have to be handled by the Rehabilitator. As such, significant additional resources would be expended by both parties over an extended period of time in further analysis, litigation and arbitration if all of the current and possible future disputes over WHC/GUH claim matters are not resolved.

This MOU resolves all pending matters in the litigation and arbitration between Chartered and WHC/GUH as follows.

First, WHC/GUH accepts, and will not contest, the Rehabilitator's determination that the amount of WHC/GUH's undisputed "A" status claims is \$9,634,763, as described above.

Second, in order to timely and affordably resolve all currently outstanding and possible future disputes involving \$30 million or more claimed by WHC/GUH for services provided Chartered, the Rehabilitator has determined, and WHC/GUH has accepted, that \$8,393,000 of the \$30 million in the remaining matters in arbitration is an allowed Class 3 claim in the Chartered rehabilitation estate. In making this determination, the Rehabilitator has exhaustively researched Chartered's data warehouse, consulted independent advisors, considered industry benchmarks on Medicaid appeals success rates, reviewed past appeals success rates by WHC/GUH and had the Special Deputy to the Rehabilitator thoroughly review the data, risks, costs and time involved in a prolonged arbitration of this matter, including potential impacts on the timing and amount of payments to other providers with unpaid claims.

The \$8,393,000 Class 3 claim is not considered an "A" status claim which would receive a *pro rata* share of the \$48 million in settlement proceeds Chartered and the District propose to distribute to providers with "A" status claims. The agreed \$8,393,000 Class 3 claim of WHC/GUH will be paid from current Chartered assets. It will be paid on the same *pro rata* basis as "A" status claims proposed to be paid to all other providers, including WHC/GUH, for "A" status claims from the \$48 million in settlement funds at the same time "A" status claims are paid. For example, if – as projected by the Rehabilitator – the "A" status claims of providers are paid at a rate of 80%, WHC/GUH's \$8,393,000 Class 3 claim will also be paid at a rate of 80%. This resolution of disputed claims is subject to and contingent upon approval of the Court.

In consideration of the Rehabilitator's determination regarding WHC/GUH's disputed claims and WHC/GUH's acceptance of the determination, WHC/GUH agrees that, as of August 6, 2013, Chartered will not process or determine any further WHC/GUH claims or appeals; WHC/GUH will be allowed no further amounts on any claim or appeal pending as of August 6, 2013; and, after August 6, 2013, WHC/GUH will not submit any additional claims or appeals to Chartered. Nothing in this paragraph shall limit or impede the ability of (a) any physician employed by WHC/GUH, and (b) any MedStar hospital, entity and affiliate, including but not limited to physicians or physician groups, other than WHC/GUH, to submit or dispute claims or pursue appeals, consistent with the claims bar date approved by the Superior Court. Further, WHC/GUH and Chartered agree to stay the arbitration, and continue to stay the Superior Court litigation that preceded the arbitration, pending Superior Court review and approval of this MOU. Upon approval and payment of the initial distribution of funds under the settlement agreed to between the Rehabilitator and the District, the arbitration and litigation will be dismissed, as will any and all other litigation and appeals by WHC/GUH involving Chartered's rehabilitation, including but not limited to WHC/GUH's appeal of the Superior Court's denial of its motion to intervene, and WHC/GUH and Chartered will mutually release all claims against each other as to the matters that were the subject of the arbitration, all subject to specific terms and instructions as to which the parties will agree.

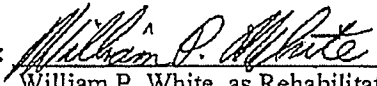

All payments for "A" status claims and WHC/GUH's \$8,393,000 Class 3 claim are contingent upon Superior Court approvals of the settlement agreement between Chartered and the District and this MOU.

All payments made toward WHC/GUH's "A" status claims and the \$8,393,000 Class 3 claim will be subject to the same *pro rata* percentages paid to all providers on undisputed and allowed claims. If assets are available to pay 100% of provider Class 3 claims, the Rehabilitator will apply additional assets to interest owed providers on their claims on a *pro rata* basis. Interest on WHC/GUH's claims will be calculated on the total claims paid to them (including both the "A" status and the \$8,393,000 Class 3 claims) at the rate determined for their "A" status claims, such rate to be determined using the same methodology as it is for all other providers.

Finally, the Rehabilitator and WHC/GUH agree to draft and execute other documents, as necessary, to effectuate this MOU, including but not limited to a settlement agreement including mutual releases and other reasonable and customary terms for such resolutions.

NOTICE

TO: MEDICAL PROVIDERS OF D.C. CHARTERED HEALTH PLAN, INC.
FROM: DAN WATKINS, SPECIAL DEPUTY TO THE REHABILITATOR
SUBJECT: PAYMENT PLAN
DATE: AUGUST 31, 2013

The D.C. Superior Court has approved a settlement agreement between DC Chartered Health Plan Inc. (Chartered) and the Department of Health Care Finance (DHCF). The agreement provides \$48 million to be paid toward Chartered's unpaid obligations to medical, dental, vision, behavioral health, pharmacy and laboratory providers who provided services to Chartered enrollees.

The settlement proceeds of \$48 million will be distributed to providers in two parts:

PART I \$18 million from Chartered

PART II \$30 million through the Provider Stabilization and Beneficiary Access grant program administered by DHCF

PART I

Chartered will make Part I pro rata payments to providers as soon as possible after Chartered receives the \$18 million settlement payment.

The Part I payment from Chartered will be accompanied by a remittance advice/EOB listing of the provider's allowed claims together with a summary page setting out the total claim amount owed as of August 31, 2013.

Providers may appeal claim determinations which they dispute. Such appeals need to be made timely and through the normal appeal process.

PART II

Providers **must** apply for the Provider Stabilization and Beneficiary Access grant (including a DC Office of Tax and Revenue "Clean Hand Certificate" and a release form) and receive a grant approval from DHCF in order to receive a Part II payment.

A grant application is enclosed with this notice for providers who have not yet applied for a grant.

A one stop shop has been established by the Rehabilitator and DHCF to facilitate the processing of grant applications. The website with complete information on this process is www.charteredrehabilitation.com.

Providers may also call toll free at 855-865-1769 to ask questions and receive assistance in processing their grant applications.

Please note, Behavior Health providers contracted with Beacon Health Services and Dental and Eye providers contracted with DentaQuest and EyeQuest DO NOT need to apply for a grant. Beacon

Health Services, DentaQuest and EyeQuest will make grant applications to DHCF and coordinate *pro rata* payments to contracted providers with Chartered.

The Rehabilitation Court set August 31st, 2013 as the last date for submitting claims to Chartered.

The Rehabilitator will process claims received or postmarked by the August 31 bar date.

As of August 22nd 2013, Chartered has processed, but not paid, \$58 million in undisputed provider claims. That amount will increase as final claims are processed.

The following example illustrates how pro rata Part I and Part II payments will be made (please note that this is an example only, as the final payment allocation will be determined based on the processed and unpaid and undisputed claims total as of August 31, 2013):

Processed but unpaid and undisputed claims	=	\$60 million
Part I payments by Chartered	=	\$18 million

Under this example, each provider would receive 30% of the total claim amount due from Chartered, the 30% percentage determined by dividing \$18 million by \$60 million.

Each provider would receive 50% of the processed but unpaid and undisputed claim amount in a Part II payment from the District's grant program if the eligibility requirements set by DHCF are met. Part II 50% payment in this example is determined by dividing \$30 million by \$60 million.

Additional payments in a Part III distribution may be made later by the Rehabilitator from assets Chartered has available or may recover going forward. No interest on claim amounts will be paid unless and until 100% of the amount due on provider's claims has been paid.

EXHIBIT 3

GUIDANCE ON DC CHARTERED HEALTH PLAN REMITTANCE ADVICE
PART I PAYMENT

Chartered's Rehabilitator recently received DC Superior Court approval of a settlement with the Department of Health Care Finance (DHCF) that includes a payment plan for Chartered's providers. As of September 9, 2013 Chartered has \$57.2 million in unpaid claims due its providers. Chartered and DHCF have \$48 million in settlement proceeds to pay toward the \$57 million owed to Chartered's providers. Pro rata payments will be made toward amounts owed providers as follows:

Part I Payment: \$18 million is being distributed to providers by Chartered through Part I payments. These payments constitute 31.45% of the total amount owed each provider, exclusive of interest. A Part I payment for 31.45% of your claim amount accompanies this notice and remittance advice (RA).

Part II Payment: \$30 million will be distributed by the Department of Health Care Finance and the DC Treasurer to Chartered's providers through a grant program. Grant payments will constitute 52.42% of the total amount due each provider, exclusive of interest. Providers must participate in the DHCF grant program to receive a payment. Each provider recently received an application for the grant program.

Part III Payment: A third pro rata payment is anticipated to be made by DC Chartered later this year. The amount of this payment depends on the assets available to Chartered after administrative expenses are paid. It is projected that the three part payment plan will pay approximately 95% of amounts owed providers based on currently available assets. Interest on claims can only be paid after 100% of the net claim amount is paid.

Your **Part I payment** is accompanied by a remittance advice (RA) reflecting your claim amounts in Chartered's system. The report shows full value, with some interest for late payment included, in the detail on claim amounts payable. Your check stub identifies information related to the RA and payment amounts which requires your close attention.

1. The check number on the RA does not match the actual check number on the enclosed check and should be disregarded. The enclosed check for 31.45% of your claim amount was generated separately from the RA report and bears the correct check number for your records.
2. The total claim amount indicated as paid on the RA includes a claims system generated interest amount which has been subtracted from the claim total prior to calculating the Part I payment.
3. The total amount indicated as paid on the RA does not match the actual Part I check payment because the payment amount has been adjusted by the 31.45% allocation and does not include any interest.

For more information, go to www.charteredrehabilitation.com. Providers may also call toll free at 855-865-1769 to ask questions and receive assistance in processing their grant applications.
